Literature secretary's report June 08

I have enclosed a full break down of what literature I have, how much balance to date I have, and how much is owed. There was a mix up with the information day in Derry. There literature could not be got in time for the start of that day so I supplied the literature until theirs arrived. I have since then been reimbursed for what was loaned out but still I need to be paid by the H&I/P.I committee the sum of £34 for i.p's I will take this up with the committee at the next committee meeting.

Cash balance £199

Money to Be Collected £34

Total Cash Balance after monies collected £233

Cash value of literature still to be sold £792.49

Statistics

The statistics report **5777** unique visitors for the month March, **7445** for April and **2522** for May so far.

Contact

Since my last report there has been some back and forth contact with a couple of outside organisations. The Southern Drugs & Alcohol Co-ordination Team in Banbridge requested details of help for the families of using addicts and I forwarded on contact details for NarAnon. The Northlands Alcohol & Drugs Counselling & Treatment Centre requested someone from our fellowship provide some PI information at a conference they are hosting on 28th May: contact details for our PI office, Brian D, were forwarded.

Contact was received from the family of an addict in active addiction: details for NarAnon were again provided. A recovering addict requested information on how to start a new meeting in Donegal and I received a number of emails from an addict attending another fellowship and expressing interest in our own.

Finally, the usual details of upcoming conventions and online NA resources which were forwarded onto the addicts for whom I have an email address.

Copies of all these emails are available on request.

Billing

I have a bill to cover web-hosting until **14/09/08** for the amount of **£63.38** which I include with this report.

P&I/H&I report

H&I/P.I. Committee Report May 08

Derry: The information day in Derry went really well with a lot of interest from various agencies, northlands want the fellowship to do a regular presentation every 6weeks to their patients, the prison want us to do a presentation or open meeting in July with the possibility of it being a regular thing every 4 weeks. The Derry group members are keen to get involved with the possibility of them taking over responsibility for the presentations within northlands. The Drug strategy team also want us to do two presentations to both their staff and also a group of young people they counsel. A lot of this at the minute is just talk .We will chase up what contacts we have over the next few months to try and make these things happen. The down side of the day was that all their speakers over ran on their allocated time, unfortunately, Paul .O our speaker did not get a chance to speak we were all disappointed by this but the Northlands have apologised and are keen to get our fellowship in their institution.

Phone line: After a long discussion, we have made some new guidelines where the phone line is concerned. 1, that there will be a strict policy of a minimum of one year clean time required to be of service on the phone line, 2, that under no circumstances will anyone without being trained in using the phone line be able to serve on the phone line. 3, anyone found abusing the phone line in anyway will be immediately relieved from there service position. 4, we will be planning a workshop within the next few weeks to train up people interested in being of service on the phone line. 5, finally all members of the committee have agreed that as a show of commitment to the committee that we all will do 4 weeks service on the phone line.

Prison: The meeting is running well at the moment and is being attended by both newcomers and regular members. With the bank holiday at the beginning of May, there was not enough staff to bring all the people who was on the list to attend. 18 were on the list 2 were able to attend. Need commitment from people to keep this meeting running “**you do not have to have been in jail to carry our message into the prison please remember this is an important service, people in institutions’ have no other way of hearing our message if we don’t bring it to them**”. Expenses £30
